Back Stage

December 2014

We get E-Mails!

With *Fiddler on the Roof* now closed, it is safe to say that the show was a huge success. The cast and crew superbly brought the show “to life” in ways that spoke to audience members every night. One audience member enjoyed the show so much she wrote the following email.

I just wanted to tell you how much we enjoyed the Matinee performance of *Fiddler* yesterday. We are all humming and whistling the music and it makes us want to dance.

Kudos to the entire cast ... and of course a special thank you to the lead actor. So happy that he has come to our community and is willing to share his talents.

Also ... the orchestra was first rate! The set was perfect and the staging very clever.

We had friends join us and they commented that it was like being on Broadway.

Bottom line is that the production was absolutely WONDERFUL!

We are very glad that we purchased season tickets!

Thanks for all the hard work!

Pat — thank you for your kind words and continued support. We are so happy you and your family enjoyed the show. — Editor
